Dear Gas Market Reform Group

---

### **Day Ahead Auction & Reporting Framework Consultation Paper**

Australia Pacific LNG Pty Limited (**APLNG**) is pleased to provide the Gas Market Reform Group (**GMRG**) with feedback on the consultation paper - Day Ahead Auction & Reporting Framework. Please refer to the enclosed template.

APLNG is an incorporated joint venture among ConocoPhillips, Origin and Sinopec. As Queensland's largest gas producer, APLNG supplies a significant percentage of Queensland's long term gas needs as well as exporting LNG under contract to China and Japan.

APLNG provides the following comments in support of the National Gas Objective and the Energy Council's Vision for the Australian Gas Market. APLNG is an active participant in the gas market reform work program and strongly supports the implementation of the day ahead auction to improve access to competitively priced transportation capacity across the east coast and market transparency.

Thank you for the opportunity to provide these comments, should you have any questions or would like to discuss this submission further, please contact Deidre McEntee, Senior Commercial Negotiator, at (07) 3021 3303 or [deidre.mcentee@aplng.com.au](mailto:deidre.mcentee@aplng.com.au).

Yours sincerely,
