Dear Gas Market Reform Group,

Standardisation Related Reforms and the Capacity Trading Platform Consultation Paper

Australia Pacific LNG Pty Limited (**APLNG**) is pleased to provide the Gas Market Reform Group (**GMRG**) with comments on the consultation paper titled Standardisation Related Reforms and the Capacity Trading Platform. Please refer to the enclosed template.

APLNG is an incorporated joint venture among ConocoPhillips, Origin and Sinopec. As Queensland's largest gas producer, APLNG supplies a significant percentage of Queensland's long term gas needs as well as exporting LNG under contract to China and Japan.

APLNG supports the National Gas Objective and the Energy Council's Vision for the Australian Gas Market. APLNG is an active participants in the gas market reform work program and urges the Australian Government to work with relevant regulators and energy market bodies including the GMRG to expedite reforms to improve the functioning of the Australian domestic gas market. This includes transparency, trading opportunities and access to short and longer term competitively priced transport capacity.

Thank you for the opportunity to provide these comments to the Standardisation Related Reforms and the Capacity Trading Platform consultation paper. Should you have any questions or would like to discuss this submission further, please contact Deidre McEntee, Senior Commercial Negotiator, at (07) 3021 3303 or deidre.mcentee@aplng.com.au.

Yours sincerely,
